

**FOR NURSE CALL &
HEALTHCARE SYSTEMS:**

- Clear and easy communication is vital in healthcare. Whether the communication is patient to staff, staff to staff, staff to hospital, or an incoming or outgoing call to a loved one, Hi-Tech Communications offers a variety of technologically advanced systems to improve your ability to communicate. Nurse Call, VoIP, Intercoms, and Wireless Telephones can all be integrated with your systems database, allowing you and your staff to be more responsive and efficient with patients.
